## ATTACHMENT CONCERNING MARITIME TRANSPORT SERVICES

### 1. International Shipping, 3.b):

"Other forms of commercial presence for the supply of international maritime transport services" means the ability for international maritime transport service suppliers of the other Party to establish branches and to undertake activities concerned for the supply to their customers of maritime transport services.

### 2. Maritime Cargo Handling Services:

Activities exercised by stevedore companies, including terminal operators, but not including the direct activities of dockers, when this workforce is organized independently of the stevedoring or terminal companies. The activities covered include the organization and supervision of:

- the loading/discharging of cargo to/from a ship;
- the lashing/unlashing of cargo;
- the reception/delivery and safekeeping of cargoes before shipment or after discharge.

### 3. Customs Clearance Services:

Activities consisting in carrying out on behalf of another party customs formalities concerning import, export or through transport of cargoes, whether this service is the main activity of the service supplier or a usual complement of its main activity.

### 4. Container Station and Depot Services:

Activities consisting in storing containers in port areas with a view to their stuffing/stripping, repairing and making them available for shipments.

### 5. Maritime Agency Services:

Activities consisting in representing, within a given geographical area, as an agent, the business interests of one or more shipping lines or shipping companies, for the following purposes:

- Marketing and sales of maritime transport and related services, from quotation to invoicing, and issuance of bills of lading on behalf of the companies; acquisition and resale of the necessary related services, preparation of documentation, and provision of business information;
- Acting on behalf of the companies organizing the call of the ship or taking over cargoes when required.

### 6. Maritime Freight Forwarding Services:

Activities consisting of organizing and monitoring shipment operations on behalf of shippers, through the acquisition of maritime transport and related services, preparation of documentation and provision of business information.

### 7. Tally, Measuring and Survey Services:

- Tally services: Activities consisting of calculating the number of cargoes or verifying the delivery and the receipt when loading and unloading.

- Measuring services: Activities consisting of calculating or verifying the volume or weight of cargoes when loading and unloading.

- Survey services: Activities consisting of the verification, inspection and survey related with shipped cargoes and vessels (including barges).
