

APPENDIX 12

**NEW ANNEX 16 (NECESSARY ELEMENTS IN A DECLARATION OF ORIGIN BY
AN APPROVED EXPORTER)**

ANNEX 16: Necessary elements in a Declaration of Origin by an Approved Exporter

1. A Declaration of Origin by an approved exporter shall contain the following data elements:
 - a) the approved exporter, name, address and unique identification number issued by the exporting Party;
 - b) the consignee's information, including their name and address;
 - c) the manufacturer's information, including their name and address (if known);
 - d) the transportation information (as far as known);
 - e) information relating to the good, including its Harmonized System code at the 6-digit level, a description of the good, the quantity and the unit measure;
 - f) the origin criteria;
 - g) the declaration contained in paragraph 3; and
 - h) the approved exporter's signature and the date of signature.
2. Any data elements in subparagraphs 1(a) - (h) that are not contained in an invoice or other commercial document to be used for the Declaration of Origin by an approved exporter may be typed, stamped, or printed on the invoice or other document by the approved exporter.
3. A Declaration of Origin by an approved exporter shall contain the following declaration by an approved exporter:

"The exporter of the goods covered by this document, except for those goods that are clearly indicated as not being covered by this declaration, declares that these goods comply with the rules of origin requirements of the Free Trade Agreement between the Government of the People's Republic of China and the Government of New Zealand.

This exporter is legally responsible for the truthfulness and authenticity of this declaration of origin.

This exporter agrees to maintain, and present upon request, documentation necessary to support this declaration of origin, and to inform, in writing, all persons to whom the declaration is given of any changes that would affect the accuracy and validity of this declaration."

4. For greater certainty, any form of redaction may be used by an approved exporter to 'clearly indicate' that those goods not being covered by its declaration.
