Remind: 1. First-time users must download and install the card-control plug-in from the login page. 2. Each attachment must be no larger than 4 MB. If a file exceeds this limit, split it and upload the parts separately. 3. All attachments must be in PDF format. 4. Multiple files may be uploaded for the same attachment type. 5. Upload failures may occur during transmission. Please keep monitoring the upload status at all times.															

6. When a photocopy is required, a scanned copy of the original is acceptable.
7. Attachment types marked with an asterisk (*) are mandatory.
8. This platform currently does not support uploading video files.
9. We recommend using Google Chrome, Mozilla Firefox, or Internet Explorer 10 (or higher).
