

Serial Number:

Safety Management Registration Form for Imported Agricultural Genetically Modified Organisms (For Processing Materials)

General Information of Product	Name			Code	
	Physical State			Packaging Method	
	Storage Method			Transportation	
	Vitality	☐ Yes ☐ No			
	Usage	☐ Oil Processing	☐ Feeding Processing	☐ Other Industrial Raw Materials	☐ Trade and Futures Exchange
General Information of Genetically Modified Organisms	Organism Name			Producing Region	
	Recipient Organism	Chinese Name		Scientific Name	
		Place of Origin			
	Target Gene	Name		Donor Organism or Source	
		Functional Characteristics			
	Company				
	Agricultural GMO Safety Certificate (Import) Code				
	Approval Documents from the Original Country	Serial Number			
		Approval Authority			
		Validity Period			
Purpose					
Foreign Trader	Country (Region)				
	Name				
	Main				

	Business Activities				
	Contact	Telephone		Fax	
		E-mail		Contact Person	
		Address			
Domestic Trader	Name				
	Main Business Activities				
	Contact	Telephone		Fax	
		E-mail		Contact Person	
		Address			
Legal Representative of Foreign Trader	(Signature)		Legal Representative of Domestic Trader	(Signature)
