

Serial Number:

Imported Agricultural GMO Safety Certificate Application Form

Project Overview	Name						
	Source						
	Purpose and Status						
Overview of Genetically Modified Organisms	Category	Animal Plant Microorganism (Tick✓)					
	Name						
	Recipient Organism	Chinese Name		Scientific Name			
		Taxonomic Status		Variety (Strain) Name		Safety Level	
	Target gene 1	Name		Donor Organism			
		Biological Function					
		Promoter		Terminator			
	Target gene 2	Name		Donor Organism			
		Biological Function					
		Promoter		Terminator			
	Vector 1			Donor Organism			
	* Marker Gene 1	Name		Donor Organism			
		Promoter		Terminator			
	* Reporter Gene 1	Name		Donor Organism			
		Promoter		Terminator			
	Regulatory Sequence 1	Name		Source			
		Function					
	Regulatory Sequence 1			Type of Genetic Manipulation			
	Safety Level of Genetically Modified Organisms			Safety Level of Products			
Overseas Approval Status	Country (Region)1	Approval Authority					
		Serial Number					
		Purpose and Valid Period					

	Country (Region) ²	Approval Authority			
		Serial Number			
		Purpose and Valid Period			
Proposed Period					
Overview of the Applicant Unit	Name			Address	
	Postal Code			Telephone	
	Fax			E-mail	
	Nature of The Entity	Domestic unit (Institution, Enterprise, Sino-Foreign Cooperation, Sino-Foreign Joint Venture, Foreign-Funded) Foreign Trader (Enterprise, Others) (Tick √)			
	Applicant			Telephone	
	Fax			E-mail	
	Contact Person			Telephone	
	Fax			E-mail	
Overview of the Research and Development Entity	Name			Legal Representative	
	Contact Person			Telephone	
	Fax			E-mail	
	Experience in Genetic Engineering Work				

Notes: 1. If the "marker gene" or "reporter gene" has been deleted, it should be indicated in the form.

2. The applicant is the specific person responsible for safety supervision of the applied project.
